BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

An Act to create the office of Commissioner of Towns County, approved March 14, 1984 (Ga. L. 1984, p. 4130), as amended, is amended by striking Section 1 and all other substantive sections of said Act and inserting in place thereof the following revision and restatement of the law relating to the Board of Commissioners of Towns County:

SECTION 1.

(a) The office of the sole county commissioner of Towns County which exists on January 1, 2005, is continued in existence as the governing authority of Towns County until December 31, 2008, except as otherwise provided in subsections (b) and (c) of this section. On and after January 1, 2009, a board of commissioners shall be constituted as provided in this Act and shall be the ruling authority of Towns County.

- (b) In the event a vacancy in the office of the sole county commissioner of Towns County occurs before the election and qualification of the members of the board of commissioners established by subsection (a) of this section, the vacancy shall be filled for the unexpired term of the sole county commissioner by special election of five members of the board of commissioners, as provided in this Act. Such special election shall be called within 60 days after the date of the vacancy and shall be held and conducted in accordance with the applicable provisions of Chapter 2 of Title 21 of the O.C.G.A., the 'Georgia Election Code.'
- (c) In the event a vacancy in the office of the sole county commissioner of Towns County occurs after the election and qualification of the members of the board of commissioners established by subsection (a) of this section but before January 1, 2009, such vacancy shall be filled by the five newly elected members if possible. In this event, the terms of office of the newly elected members of the board of commissioners shall expire as provided in Section 2 of this Act.
- (d) In the event of a vacancy in the office of sole commissioner as set out in subsection (b) or (c) of this section, the judge of the Probate Court of Towns County shall be vested with and exercise the powers and duties of the sole commissioner until the vacancy is filled by the procedure set out in subsection (b) or (c), as appropriate.

SECTION 2.

- (a) The Board of Commissioners of Towns County shall be composed of five members.
- (b) The member of the board who is the chairperson of the board may reside anywhere within Towns County and, if elected, must receive the number of votes cast for that office as required by general law in the entire county. The chairperson must continue to reside within the county during that person's term of office, or that office shall become vacant. The chairperson shall devote full time to the duties of such office.
- (c) For purposes of electing members of the board of commissioners, other than the chairperson, Towns County is divided into four commissioner districts. One member of the board shall be elected from each district. The four commissioner districts shall be and correspond to those four numbered districts described in and attached to and made a part of this Act and further identified as Plan Name: TOWNSP1 Plan Type: Local User: staff Administrator: Towns.
- (d) When used in such attachment, the terms 'Tract' and 'BG' (Block Group) shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2000 for the State of Georgia. The separate numeric designations in a Tract description which are underneath a 'BG' heading

shall mean and describe individual Blocks within a Block Group as provided in the report of the Bureau of the census for the United States decennial census of 2000 for the State of Georgia. Any part of Towns County which is not included in any such district described in that attachment shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2000 for the State of Georgia. Any part of Towns County which is described in that attachment as being in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2000 for the State of Georgia.

(e) In order to be elected as a member of the board from a commissioner district, a person must receive the number of votes cast as required by general law for that office in that district only. Only electors who are residents of that commissioner district may vote for a member of the board for that district. At the time of qualifying for election as a member of the board from a commissioner district, each candidate for such office shall specify the commissioner district for which that person is a candidate. A person elected or appointed as a member of the board from a commissioner district must continue to reside in that district during that person's term of office or that office shall become vacant.

(f) All members of the board who are elected thereto shall be nominated and elected in accordance with Chapter 2 of Title 21 of the O.C.G.A., the 'Georgia Election Code.'

(g) No person shall be a member of the board if that person is ineligible for such office pursuant to Code Section 45-2-1 of the O.C.G.A. or any other general law applicable to that office.

(h) The first members of the board of commissioners elected under this Act shall be elected in the general election of November 2008.

(i) The terms of office of members elected from Commissioner Districts 1 and 3 shall expire December 31, 2010, when their successors are elected and qualified. The terms of office of members elected from Commissioner Districts 2 and 4 shall expire December 31, 2012, when their successors are elected and qualified. Successors to members so elected shall be elected at the general election next preceding the expiration of such terms of office and shall take office on January 1 following their election for terms of four years and until their successors are elected and qualified.

SECTION 3.

When a vacancy occurs in the board of commissioners, and the unexpired term of office exceeds six months, it shall be the duty of the judge of the probate court to call a special election to elect a successor and fill the vacancy in not less than 30 nor more than 60 days, as prescribed in Chapter 2 of Title 21 of the O.C.G.A., the 'Georgia Election Code.' If the unexpired term to be filled is less than six months in duration, the judge of the superior court of the county shall have the power to appoint a successor to fill the unexpired term.

SECTION 4.

(a) The board shall have the power and authority to fix and establish by appropriate resolution, entered on its minutes, policies, rules, and regulations governing all matters reserved to the jurisdiction of the board. Such policies, rules, and regulations, when so adopted with proper entry thereof made on the minutes of the board, shall be conclusive and binding. - (9) To accept for the county the provisions of any optional statute where the statute permits its acceptance by the governing authority of the county;

- (10) To regulate land use by the adoption of a comprehensive development plan and by the adoption of other planning and zoning ordinances which relate reasonably to the public health, safety, morality, and general welfare of the county and its citizens; and to exercise all other powers, duties, and authority in respect to zoning and planning as authorized by law;
- (11) To create and change the boundaries of special districts authorized by law;

SECTION 5.

- (c) The chairperson shall have all the rights, powers, duties, and responsibilities of a member of the board, including the right and power to make motions and nominations, except that the chairperson shall not vote on matters before the board except to express unanimity or where there is equal division on the question.
- (d) The chairperson may serve as a member of boards, commissions, and committees required by law or requested by the board and shall perform such other duties as may be required by law.
- (e) The board shall elect one of the members to serve as vice chairperson. The vice chairperson shall cause an agenda to be established for and preside at all meetings at which the chairperson is absent.
